Please be advised that, at the meeting held today, the Board of Directors agreed to include as an Agenda item at the annual stockholders' meeting to be held on November 17, 2025, the approval of the private placement of 940 million common shares by the Philippine Communications Satellite Corporation (Philcomsat) and Prudencio C. Somera, Jr. and the waiver of rights/public offering with respect to those shares.

By way of background, in 1996, Philcomsat and Mr. Somera subscribed to 940 million shares in support of the **Corporation's** application for an increase in capital stock from P60 million to P1 billion. While the SEC approved the increase in 1997, the listing application for these shares was not pursued by previous Management. Thereafter, in May 2007, due to lapses committed by previous Management, the registration statement of the Corporation was suspended. With the lifting by the SEC of the suspension of the Corporation's registration statement last September 15, 2025, the present Board would like to refile the listing application and among the requirements of the Philippine Stock Exchange is stockholders' approval of the said private placement and a waiver by the minority stockholders of the requirement to conduct a rights or public offering of these shares. Thus, the decision of the Board to present the same to the stockholders for approval.
